LESSO GROUP

Established in 1986, LESSO (Stock Code: 02128.HK) is a global leader in home furnishings and building materials. The Group's business portfolio spans plastic piping, building materials and home furnishings, new energy and others. It offers a wide range of products such as pipes, new energy solutions, sanitary ware, integrated kitchen cabinets, integrated doors and windows, construction equipment, water purifiers, water-proofing materials and sealants, fire-fighting equipment, valves, wires and cables, switches and sockets, roof sheets, items for environmental protection, agricultural facilities, and ocean aquaculture cages. In 2023, LESSO's sales revenue reached over USD 4.38 billion.

LESSO SANITARY WARE

LESSO Sanitary Ware is a flagship product line launched by China Lesso Group Holdings Limited (Stock Code: 2128.HK). LESSO sanitary ware products encompass a comprehensive range of sanitary solutions for bathroom spaces, including ceramic sanitary ware (toilets, squatting pans, urinals, and basins), bathroom vanities, hardware faucets, angle valves, bathtubs, floor drains, and bathroom accessories.This extensive product portfolio enables the provision of one-stop sanitary ware products and services.

LESSO Sanitary Ware is supported by a dedicated sanitary ware research institute and design team dedicated to integrating comfort with artistry in R&D and design, creating smart sanitary ware products that meet the modern home improvement demands of comfort, ease of use, and unique personality.

LESSO sanitary ware products are cost-effective with broad market prospects, which have been widely selected for use in high-end domestic residential projects, and have also been highly recognized by consumers in the retail market.LESSO Sanitary Ware constantly improves product quality, and pays attention to detail, providing users with a relaxed and comfortable bathroom spaces that transform bathing into an enjoyable experience and revitalize the mind and body.bath
